— ABOUT THE

SAHIL AL AMEEQ

CONTRACTING ESTABLISHMENT

Sahil Al Ameer Contracting Establishment (SAC) was Established in 2011, with the aim of providing outstanding services keeping high quality standard as an essence of activities in the Kingdom of Saudi Arabia.

We have specialized in Duct Work, Mechanical, HVAC Services, Electrical, Civil Works, Fabrication Works and Industrial support Services. SAC is managed by professional technical staff, and committed to prove itself as fast growing company in the market and to combine the traditions of quality service with the cost effectiveness achievement.

It is managed by Highly skilled professional in the same field with remarkable experience. Our team of professionals is dedicated in providing our client with values added service further associating our company's identity with excellence.

VISION

Our vision is to kindle light in to the world of invention and delivery of efficient workforce solution & service.

MISSION

To work harder and smarter to ensure that no one has higher expectations of us than we have of ourselves.

QUALITY

We are passionate about excellence and doing our work right the first time.
